**AN OPEN LETTER.**  
Newberry, Mich., Feb. 12, 1910.  
Petoskey Rug Mfg. Co.,  
A. T. Washburne, Prop.  
Petoskey, Mich.

Dear Sirs:—  
The Rugs came yesterday and are simply superb. If I could see old sinners converted and made over as new as those Rugs are I should think that perfection was reached in transforming men.

How you can do it out of such old carpets is a surprise to me. Your charges are reasonable. Your work is excellent. Your attention to patrons is commendable. And the products of your looms surpassing all our expectations.

With many thanks, we remain,  
Sincerely,  
Rev. Levi Bird, Ph. D.,  
Pastor Newberry M. E. Church.  
P. S.—You are at liberty to use this letter if you care to do so.

We have hundreds of such letters as above coming from nearly every state in the Union on file at our office for inspection.

**AS THE WRIGHT AEROPLANE WILL LOOK.**

This gives a good idea of how the Wright aeroplanes to be seen at the State Fair, Sept. 19-24th, will appear. Recent improvements permit of much better handling of the airships than ever, and now circling a grand stand is a matter of easy achievement for the aviators. The aeroplanes will remain at all times in sight of the spectators. This will be the first appearance of the planes in Michigan.

WILLIAM M. SMITH.

William M. Smith of St. Johns, candidate for the Republican nomination as attorney general, has been prominent in state politics for a number of years. He is a resident of St. Johns and has several times filled the office of city attorney. He was a presidential elector at large in 1904 and is also a member of the Republican state central committee from the Eighth congressional district.

He attracted state-wide attention at the Republican state convention in the spring of 1909, when, in his speech as chairman of the convention, he for the first time voiced insurgency feeling which is now so rife in the state. In a speech which electrified his audience and brought the delegates to their feet, he declared that the Republican party should purge itself of evils which had grown up within it in the state and predicted a loss of power if this was not done. Mr. Smith predicted conditions would be as they are today in Michigan.

**True Religion.**  
True religion grows more and more anxious to declare that religion is not something foreign to humanity; that it is simply the fullest utterance of human life; that all human life which is not religious falls below itself.—Phillips Brooks.

**First Aid to Illiterates.**  
Uncle Joe Cannon had an amusing experience with a waiter in a Kansas City hotel during his last visit to that city. Being in no mood to select his dinner, he had tossed aside, after a glance, the menu presented to him by his waiter, saying:  
"Bring me a good dinner."  
Incidentally Uncle Joe slipped the man a big tip in advance.  
This repeat proving satisfactory, the speaker pursued the same plan during the remainder of his stay in Kansas City. As he was leaving the servitor remarked earnestly as he helped him on with his overcoat:  
"I beg your pardon, sir, but when you or any of your friends that can't read come to Kansas City just ask for Tom."

**DOWNWARD COURSE.**

Fast Being Realized by East Jordan People.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow; Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course. Follow the advice of an East Jordan citizen.

W. T. Lord, State St., East Jordan, Mich., says: "I found Doan's Kidney Pills, which I procured from Gannett Co.'s drug store, to be just as represented. My kidneys did not do their work properly and I suffered a great deal from backache and lameness across my loins. I could not stoop or lift without having sharp stitches and I was very anxious to get relief. After I had used Doan's Kidney Pills a few days the lameness disappeared my kidneys were restored to a normal condition. Other members of my family have used Doan's Kidney Pills and in each case, the results have been entirely satisfactory."

For Sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.

**Rheumatism**

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and swag of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Pain can be easily and quickly stopped. Pink Pain Tablets—Dr. Shoop's—stop Headache, womanly pains, any pain, any where, in 20 minutes sure. Formula on the 25c. box. Ask your druggist or doctor about this formula—it's fine. Sold by James Gibley.

A failing tiny nerve—no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a week or failing Stomach, Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by James Gibley.

**Making Good Makes Friends**

There is no way of making lasting friends like "Making Good"; and Dr. Pierce's medicines well exemplify this, and their friends, after more than two decades of popularity are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards. A good, honest square-deal medicine of known composition is

**Dr. Pierce's Golden Medical Discovery.**

It still enjoys an immense sale, while most of the preparations that came into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is as good as Dr. Pierce's Golden Medical Discovery.

It's an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may make a little bigger profit. Insist on your right to have what you call for. Don't buy

**Dr. Pierce's Favorite Prescription**

Expecting it to prove a "cure-all." It is only advised for woman's special ailments.

It makes weak women strong, sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago.

As an invigorating tonic and strengthening nerve it is unequalled. It won't satisfy those who want "booze," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy. They regulate and invigorate Stomach, Liver and Bowels.
